17 1. Mr. Warren is currently scheduled to be sentenced on December 14, 2009.

18 2. Defense counsel will be out of state on both office and family business from  
19 November 15, 2009 until December 5, 2009. Because of his absence, the probation officer  
20 cannot complete the pre-sentence report in a timely fashion which will give the parties sufficient  
21 time to comment on the report before sentencing. For that reason, a continuance is necessary.

22 3. Defense counsel and the government have consulted with each other and with the  
23 probation officer in this case, and all three parties are available on January 25, 2010. As such,  
24 the parties request that the Court continue the sentencing hearing to January 25, 2010.
